

# Membership Application Form

MEUC's annual membership fees are kept modest to ensure membership is open to a wide variety of organisations continuing to pursue an energy cost and reduction strategy and unlike many membership organisations MEUC's fees cover the whole company – not just a named individual.

The signatory must be able to commit the applicant organisation to continuing membership and should be at least a Senior Manager reporting to a Director. If your application is accepted by the MEUC Board, you will be asked to complete an MEUC Starter Pack and also be invoiced for your first yearly

fees. Your membership will run from the following month for a minimum of 12-months. Fees are revised on a yearly basis.
